Softball Games Set For Sept. 8

Relatives, friends and teammates of Harold Martin will converge on the town ballpark again this year for an evening of fun, fellowship and softball.

A repeat of last years successful outing is planned for Saturday, Sept. 8 at 6:00 p.m. All players who participated in the softball program during the 1950's are invited to stop by, play a couple of innings, and see some old friends.

Harold will be there and hopes the turnout will be even larger than last year.

ANNETTE CARTER, LEFT and KIM HIPPS, Center, discuss strategy with A.C.H.S. Volleyball Coach Lucy Harris. Annette and Kim are co-captains for the Raiderettes 1979 team.

Raiderettes Will Be Tough Again

Returning ten players from last years championship team, including four lettermen and two members of the All-District First Team, the Raiderettes are bidding to repeat or better their 1978 record.

On this years squad are Annette Carter, Senior and Susan Handy, Junior who were named to the All-District team last year, and Johnna Belter, senior along with Kim Hipps, Senior.

They are joined by experienced players such as, Pam Guill, and Lisa Moore, Seniors, Karen Johnson and Robin Martin, Juniors and Rhonda Jaggers and Angie Murray, Sophomore.

Angie Moore, Sophomore and Freshmen Susan Eye, Patty Roach, Peggy Smith and Angie White make up the remainder of the 1979 team.

Coach Lucy Harris is pleased with the practice sessions so far and feels the team has the potential to win the district title.

"We have more depth than last year," says Ms. Harris, "and should be just as strong."

Johnna Belter and Kim Hipps did an excellent job "setting" the ball last year and are teaching Pam Guill and Lisa Moore the tricks of the trade. With experienced "spikers" Annette Carter and Susan Handy working with Karen Johnson and Robin Martin, the Raiderettes should do well in that department.

But the teams strong point is serving, according to Coach Harris, with all players developing hard, powerful serves.

Of course the players perform better when the stands are full of fans, and these girls would like nothing better than to have the gym full when they go up against Albemarle in the season opener, Sept. 11. The game will be played at 7:00 p.m. A.C.H.S., a good opportunity for the public to see that the game of volleyball has become a very exciting sport.

RAIDER JAYVEE CAPTAINS, Kevin Ferguson, left, Dennis Fleshman, center and Jeff Miller take a breather from practice to huddle with Coach Howard Clabough. Season for the Junior Raiders begins Wednesday night, Sept. 5, at 7:00 in Bragg Stadium when they play host to Blackstone in a non-district contest.

DEFENSE IS THE NAME OF THE GAME FELLOWS, could be what Coach Ray Archer is telling the captains for the Raider varsity football team.

Players selected for that honor this year are Gus Paulette, left, Darrell Schrock, center, and Terry Woods.

Play in the Seminole District gets underway Sept. 7 when Appomattox travels to Gretna.

Highlights Of the Greater Pamplin Open

BY BILL TRIMYER

Pictured above are some of the golfers who entered the first annual Greater Pamplin Open Golf Tournament. The tournament was held at the beautiful Hat Creek Course near Brookneal on Wednesday, August 22.

A field of sixteen players competed for the top cash prizes. The managers at the Hat Creek course also offered prizes for shots closest to the pin and the longest drive. James Daubenspeck carried home one of the prizes with his closest-to-the-pin shot on hole number eight. His shot came within inches of the pin. Dickie Williams took home a prize for his closest-to-the-pin shot on hole number three.

Top prize for the longest drive of the day went to Mr. Howard Williams, whose ball seemed to drop off the "end of the earth" from his powerful drive!

The field of players were made up both semi-professionals and amateurs. The tournament was divided up into three flights consisting of a Championship Flight, plus a first and second flight. In the Championship Flight the top cash prize went to Kim Simmons. Mr. Tim Tolley took home second place in that flight.

First place cash prize in the First Flight went to Melvin Reynolds and second place was captured by Dickie Williams. In the Second Flight the first place was captured by Ronnie Price of Richmond, Va. Second place cash prize went to Bill Trimyer.

It was reported that some of the players in the Second Flight were almost disqualified for spending too much time in the woods and the lake retreiving lost balls and misplaced shots. No names were mentioned in this report. It was also reported that some trees were badly damaged by those players with wicked hooks and slices.

The field of impressive golfers included Gene Price, Tim Tolley, Kim Simmons, Ricky Simmons, James Daubenspeck, Bill Trimyer, Ren Speer of Lake Wales, Florida, Bennett Adams of Topeka, Kansas, Ronnie Price of Richmond, Raymond Kress, Melvin Reynolds, Dickie Williams, Howard Williams, Lewis Mann, Ryland Womack, and Hunter Tolley, Jr.

The Greater Pamplin Open will be long remembered (or forgotten) in years to come. The players are eagerly looking forward to next summer's tournament.

There's something new in Concord! THE VILLAGE MARKET, Rt. 24, one mile off 460, opened for business at the end of July. The new enterprise is owned and operated by Richard and Merlyn Carroll. Richard is a native of Concord and Merlyn is the former Merlyn Martin of Appomattox County. They are the parents of three children, Monica, 13, Ricky 10, and Allison, 4.

THE VILLAGE MARKET will offer a complete grocery line, self-service gasoline, ABC off premises, and a snack bar featuring home-made barbeque and home-made chili for hot dogs.

The hours are Monday through Saturday, 7 a.m. until 10 p.m. and Sunday from 2 p.m. until 9 p.m.

The building was constructed by Smith-Wiemer of Lynchburg. Coming soon will be a convenient drive-through window for the snack bar.

Merlyn and Richard, both active in civic affairs in the Concord community, look forward to offering the best in sales and service.

The world fish catch per capita has dropped about 11 percent since 1970.

POISED FOR LAUNCH

The first spacecraft that will launch like a rocket, carry the load of two tractor trailers into earth orbit, return to land on a regular airfield and be refitted for reuse on a hundred such round trips to space is the Space Shuttle, shown here.

The prime contractor for the Space Shuttle is Rockwell International and also shown is Melonie Scofield, a member of the Rockwell International Space Group quality engineering and safety team for NASA's Space Shuttle Program. She's surveying her "space"—Launch Pad 39 A, Kennedy Space Center, Florida, takeoff point for the shuttle orbiter.

Following a series of earth orbit test flights in 1980 and 1981, the Space Shuttle will commence operational payload missions.
